Kevin Barto has been a member of the TMG Team since September 2013. TMG Inc. is a values driven High Performance Team Program Management Services Company dedicated to Continuous Improvement and providing our client partners with World Class Expertise, Flawless Execution, Self-Governing Program Management, In-Process Agility and an unwavering focus on solving the “Big Picture” problem. We win when only when our partners win! Following industry best practices and Lean Six Sigma Methodology, TMG analyzes, designs, develops, pilots, implements and transitions custom Team Performance Improvement Systems for any operational circumstance.

Kevin has a Bachelor of Science Degree from Old Dominion University in Occupational and Technical Studies with a concentration in Training Specialization. After graduation, Kevin worked in the Landscaping and Ground Maintenance industry where he managed multiple teams providing services to over 90 different clients with a book of business reaching 1 million dollars in revenue. Roles and responsibilities included new employee training, scheduling, business development, and ITB&RFP preparations.

Since becoming a member of the TMG Team, Kevin has worked multiple Team Performance Improvement projects around First Line Leader Development, Talent Acquisition, and Retention. He has been responsible for engagement, attrition/cost to hire, ROI and program gap analysis as well as daily execution of the designed TPI system program. His most recent clients include DENTSPLY USP, APP Dover Alloy, and Bauer Compressors.
